Dear Sir,

Project: Project: R1027 Al Karama Residential (B+G+M+2+MC) on Plot no. (318-7265), Dubai
Subject: MEP Subcontractor

We refer to your letter ref: NEB/SITE/Client/13-1362/03-15/0038 dated 22 March 2015 and based on the Engineer's recommendation, we hereby have no objection on appointing M/s Raneen Electromechanical LLC as MEP Subcontractor to carry out the MEP works for the above mentioned project subject to comply with the Contract specifications and drawings and the authorities' rules and regulations.

The Engineer is requested to check and confirm that the proposed Subcontractor will meet the quality of the work expected.

The above is for your information and record.

Yours faithfully,

Nabil Siddiq Al Khaja

Owner Registration

To organize your owner through owner registration procedure by using unique identification key Single Identity for all processes in DEWA e.g. Building NOC, New Connection Process.

Fit Out Application

The provision for getting Electricity for Fit-out Installations is made as an enhancement of DEWA E-Services, as one window/one step application process.

Technical Service for Infrastructure Projects

One window to serve customer needs for technical information and coordination services under infrastructure projects.

Infrastructure NOC

NOC for Infrastructure Projects (Road Projects, Network Services, General Projects and House Connections) within R.O.W / DEWA Reservation / Power Station can be applied here.

Estimate Payment

Make your estimation payment by using secure payment gateway.

Change Password

Change your portal password.

Building NOC

Enrolled Contractors and Consultants can submit an application to obtain NOC for building permit.

Getting Electricity & Water Connections

The provision for getting Electricity/Water connection is made as an enhancement of DEWA E-Services, as one window/one step application process.

Infrastructure Services Application

Enrolled Contractors/Consultants can submit an application to obtain Electricity and Water Infrastructure Services.

Track Your Applications

To view status of your submitted applications and resubmit revised applications.

Transmission Line Supervisory Service

In a city that's constantly on the move, it's important not to have any downtime.

Update Profile

Updates your current profile in DEWA Records.

Dear customer:

The evaluation service is considered one of the services provided by the Ministry to facilitate the completion of your transaction through the speed of service provision, as well as the transfer of the situation in your facility to ensure that you obtain the Ministry's services easily and smoothly. Accordingly, your cooperation and provision of the following mentioned documents supports the Ministry's approval of the requested service, in addition to supporting your obtaining approval if you later apply for other services

عزيزي المتعامل:

تعتبر خدمة تقييم من الخدمات التي تقدمها الوزارة لتسهيل من انجاز معاملتك من خلال سرعة تقديم الخدمة وكذلك نقل الواقع في منشأتك للتأكد من حصولك على خدمات الوزارة بسهولة ويسر. وعليه فان تعاونك وتوفيرك للمستندات المذكورة التالية يدعم موافقة الوزارة على الخدمة المطلوبة وبالإضافة إلى دعم حصولك على الموافقة في حال قدمت لاحقا على خدمات أخرى.

Evaluation service documents to update the generated data and estimate the workload:

- The lease contract is valid.
- Valid commercial license.
- Electricity bill or electricity account number.
- A list or photos of the facility's vehicle ownership.
- Proof of work volume (project contracts or purchase invoices).

مستندات خدمة تقييم لتحديث البيانات المنشأة وتقدير حجم العمل:

- عقد الإيجار ساري المفعول.
- الرخصة التجارية سارية المفعول.
- فاتورة الكهرباء أو رقم حساب الكهرباء.
- كشف أو صور ملكيات المركبات للمنشأة
- ما يثبت حجم العمل (عقود المشاريع أو فواتير الشراء).

About Us

Raneen Electro Mechanical was established in 2005 as specialized provider of electromechanical services to local contractors in Dubai, since our establishment we have built our reputation on outstanding conceptual design, value engineering and timely project delivery.

We have a highly skilled Engineers, Supervisors and highly skilled electricians and plumbers to execute the various assignments. Our vast experience has led us to execute a wide range of prestigious and renowned projects all in Dubai.

Renee's Electro Mechanical portfolio of projects illustrates our skills in creating the harmonious and complete results our clients expect. We proudly set the standards of excellence in electromechanical works. Tight adherence to our clients' needs is essential to our business. Our long-term relationships with our suppliers allow us to ensure punctual delivery within budget.

Message from the MD

Eng. Mohamed Al-saed
Managing Director

I would like to take this opportunity to express gratitude to all our clients and business partners for their continued support through the years.

We ensure the quality in our MEP Projects and other services. Moving further in the competitive market of Dubai, we promise to maintain our continued quality services with highly sophisticated technology to maintain a long terms business relationship.

With the gradual development in the market, there are many changes in our organization to improve and maintain our services to reach the great heights in service delivery. We will investing in enhancing the heights of Project Management, Design, Engineering, Procurement, and Operational Level Agreement and maintain the high level of satisfaction of our clients, who we value as the most important assets of our business.

Mission

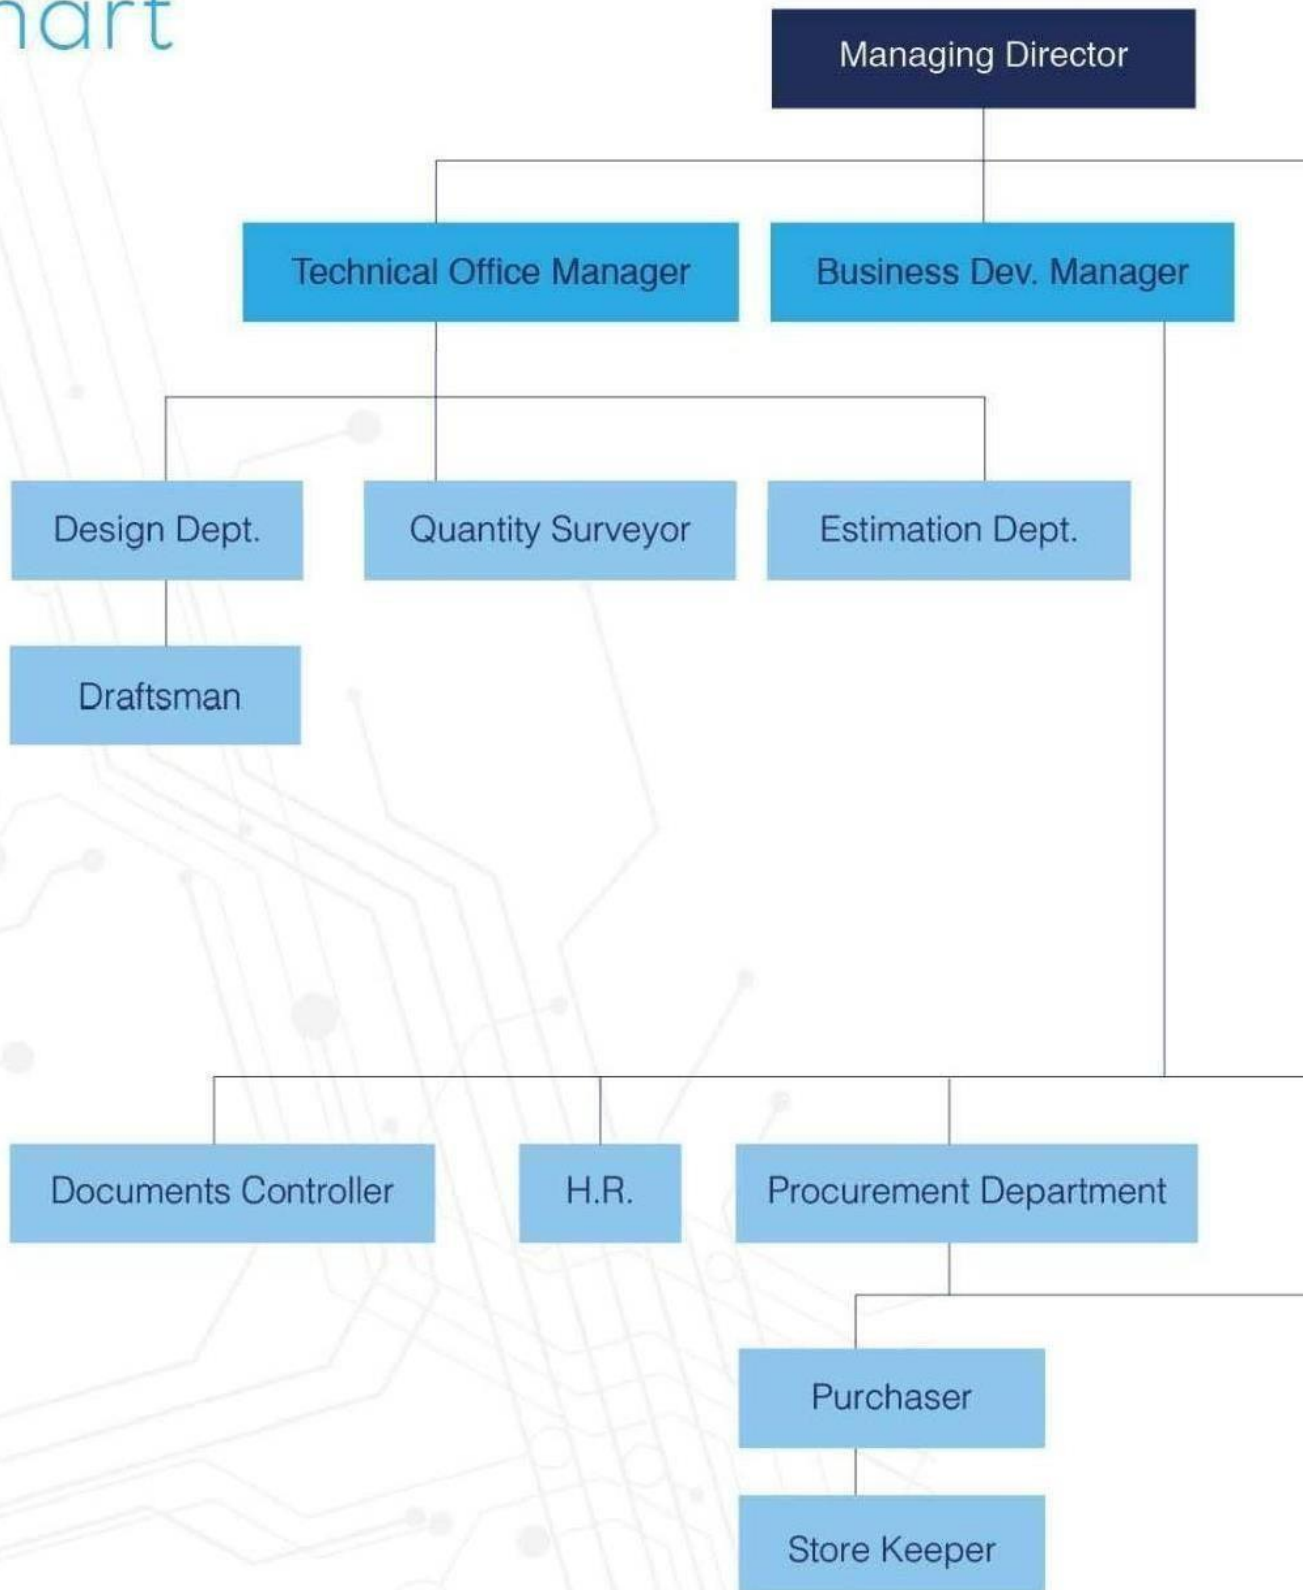

Become a leading electro mechanical contractors in the local market through provide a high standard of services and quality of workmanship that will meet specified requirements and expectations of a large segment clients in Dubai.

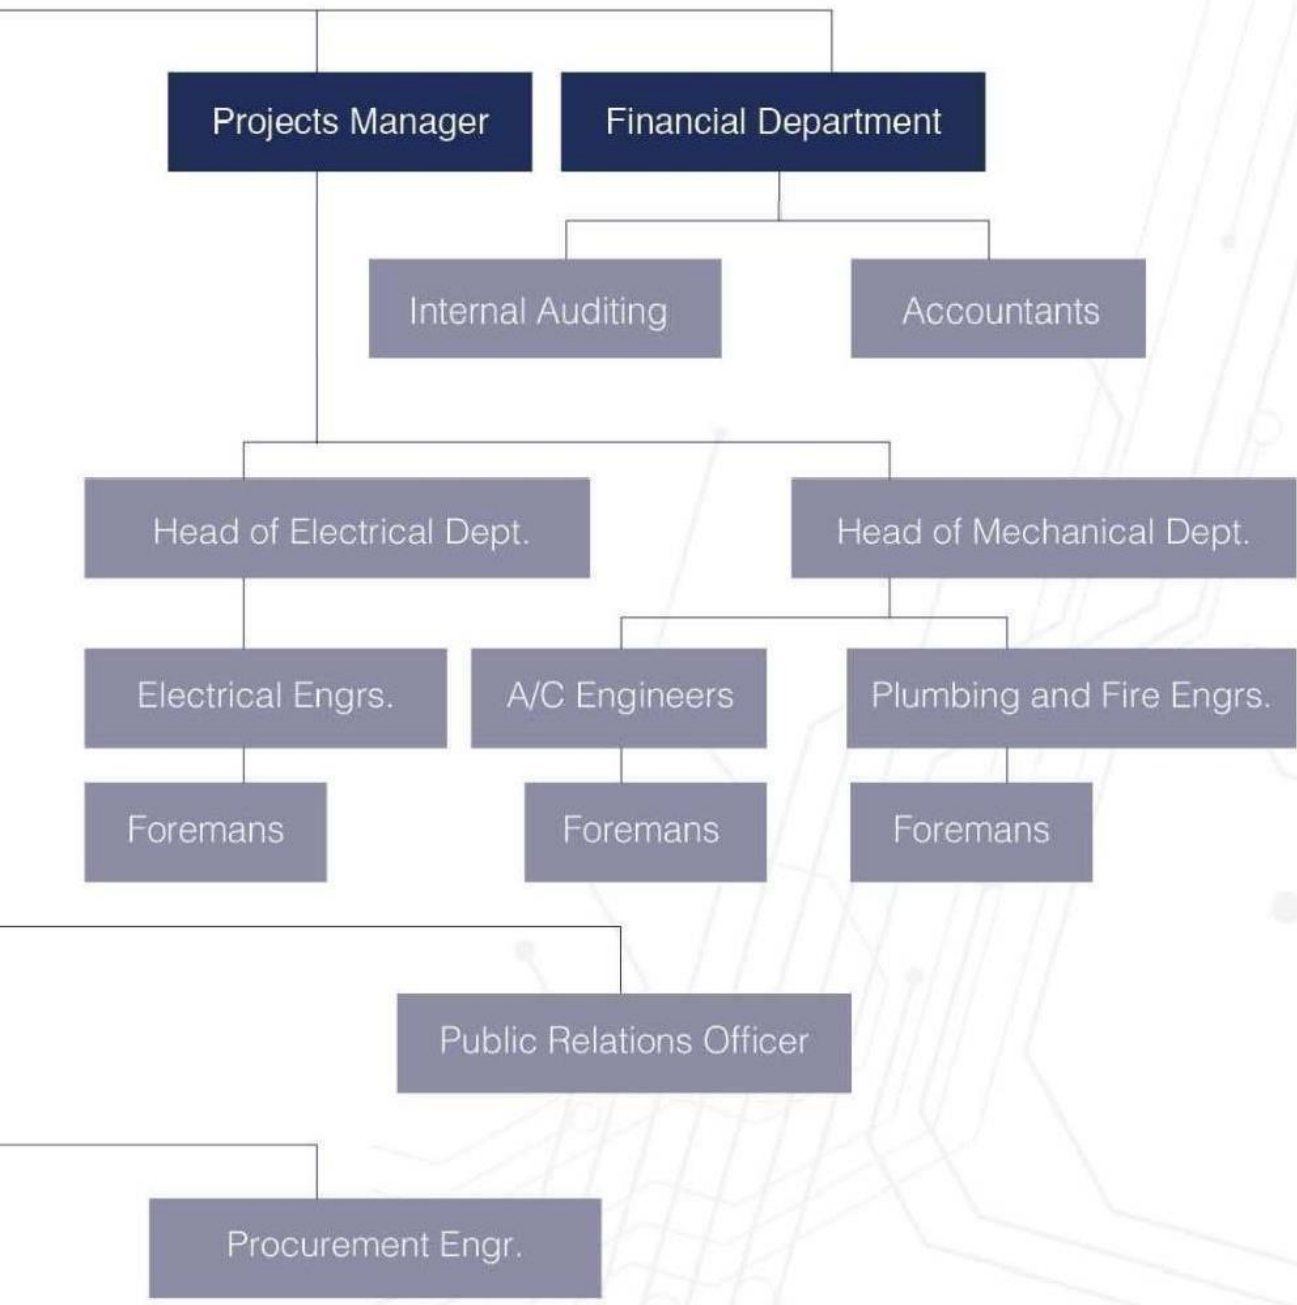

Value

- Develop strong, trusting relationships with our clients, suppliers, and employees.
- Manage growth and guide operations with a strong central support team.
- Constantly pursue customer satisfaction.
- Offer the best working environment for our employees.

Organisational Chart

Services

At Raneen we specialise in a wide range of electro mechanical and general services. Our team has an excellent level of expertise that surpasses our performance and puts competition way up high. This explains why our clients trust us with high value projects and with this trust us we have proved our worth which is the end pay of with even more or better projects.

Core Activities

- Turnkey solution for mep works
- Electrical works
- Plumbing & drainage works
- Fire alarm & fire fighting works
- A/c and ventilation works
- General maintenance works

Projects

With our strong core base of activities at Raneen we handle versatile projects ranging from compounds, villas, residential and commercial buildings, mosques, labour camps, hotels and hotel apartments.
